Subject: Letter of Intent for sending our contingent to Techkriti’25 IIT Kanpur.

Respected Sir / Ma’am,

We, the students of INDIAN INSTITUTE OF METALS (IIM) are willing to participate in the Techkriti’25 IIT Kanpur, a premier technology festival held annually at IIT Kanpur, Uttar Pradesh, where teams from across the globe gather to compete against each other. This festival stands as a monumental platform for the educational and professional advancement of students, allowing us to represent our institute on an international stage.

Last semester, our students were honored with awards in various competitions, and have organized a 4-Day workshop on RC Aircraft Building, making sure our students have learnt it all. This semester, we are aiming to compete in the **Boeing National Aeromodelling Competition’s North Zone** and **IARC (Line follower bot)**, to gain experience and broaden our technical horizons, there by bringing laurels to our prestigious institution.

For this purpose, we request financial assistance for our team. We assure you that participating in this festival will not only be a comprehensive educational journey for the students but will also enhance the reputation of our institute.

The event is scheduled at the IIT Kanpur campus from 27th March to 30th March, 2025. The participants were meticulously selected through a rigorous internal competition, ensuring that only the most skilled team represented us. Enclosed herewith is the list of students, the brochure of the event, and photographs of their innovative model for your perusal.

Manish Sharma Kaustabh R. Kamble  
  
(Secretary) (Office Incharge)

IIM IIM

**NATIONAL AEROMODELLING COMPETITION**

Description: The National Aeromodelling Competition challenges participants to design, build, and fly model aircraft. Teams compete in various tasks, showcasing their engineering, creativity, and flying skills. This competition tests aerodynamics, innovation, and precision in a dynamic and exciting environment. It also provides an opportunity for students to work as a team and test their skills.

List of team members:

Team Name	Name	SID	Branch
NAILED IT GANG	Kushagra Bhandari	24104075	Electrical
	Rudraksh Parsai	24104065	Electrical
	Rudra Goyal	24104062	Electrical
	Harshit Gupta	24104059	Electrical

**IARC (Line follower)**

Description: The ultimate autonomous robotics challenge at Techkriti' 25. Design and build bots to solve intricate mazes, decode nodes, and tackle speed and angle tasks with precision. Showcase your innovation, engineering, and coding skills. Compete with top teams globally and achieve robotic glory.

List of team members:

Team Name	Name	SID	Branch
NOSFERATU	Kushagra Bhandari	24104075	Electrical
	Rudraksh Parsai	24104065	Electrical
	Rudra Goyal	24104062	Electrical
	Harshit Gupta	24104059	Electrical
	Vishwa Naresh Srivastava	24101018	Aerospace

## Estimated Expenditure:

S. No.	Category	Amount	Justification
1	Accommodation	Rs. 9,000	6 team members for 5 days (300 * 6 * 5) = Rs. 9,000
2	Food	Rs. 6,000	6 team members for 5 days (200*6*5=Rs 6000)
3	Train Travel	Rs. 12,420	6 participants going from Chandigarh to Kanpur (1,035 * 6 * 2) – Unchahar Express 3AC
4	Local travel	Rs.3,000	6 participants local travel (100*6*5) = Rs.3,000
			1. Thermocol and foam material with fibre taping = 2,643
			2. Servo Motors (x5) – 5*140 = 700
			3. Electronic Speed Controller (x1) = 650
			4. 3S battery 2200Mah x1 = 1,100
			5. Motor Driver (x2) = 300
			6. IR sensor ARRAY = 295
			7.N20 motors with encoder (x4) = 1,880
5	Material Required	Rs. 12,031	8.Raspberry Pi Pico = 500
			9. Battery = 1,000
			10. UV sensor = 500
			11. Lcd display = 400
			12. Buzzer = 50
			13. 3D printed wing parts = 1,110
			14. chassis = 525
			15. Motor driver TB6612FNG (x2) = 334
			16. Metal ball caster wheel = 44
Grand Total		<b>Rs. 42,976</b>
